To Whom It May Concern,

It is my pleasure and honor to recommend Amelia Brown. I have no doubt that Amelia will be successful as an art therapist wherever her career path may take her. I have worked with Amelia since January 2020 as her supervisor at StoneCrest. Unfortunately our work together was put on hold in March due to COVID-19, but she returned in May and did not skip a beat.

Amelia has an incredible ability to facilitate groups as well as individual sessions to a wide range of individuals of different mental health backgrounds. Amelia's ability to foster relationships among staff and patients in the inpatient setting has grown exponentially. Amelia also possesses the ability to be flexible and adapt to situations. I am confident that Amelia's exceptional skills, experience and professional qualities will make her a powerful asset in the future.

Please feel free to contact me if you have any questions regarding Amelia's abilities as an art therapist.

Sincerely,
