## ABOUT ME

I am an art therapist who just received my M.Ed in Art Therapy in August 2020 from Wayne State University. I previously received my B.A. in Psychology from Saginaw Valley State University, where I graduated Cum Laude. I have experience in many different settings, including inpatient mental health, as I had an internship at StoneCrest Center in Detroit for 8 months. I also interned at The Art Experience, which was online due to Covid-19. I have previously worked with both seniors and at-risk youth, giving me a variety of experience with different populations.

## EXPERIENCE

### StoneCrest Center, Detroit – *Art Therapy Intern*

January 2020 – August 2020

- Facilitate group and individual art therapy with patients.
- Plan group and individual sessions.
- Document each group session and file in patient charts.

### Brookdale Senior Living, Southfield – *Resident Programs Assistant*

January 2018 – May 2020

- Facilitate daily activities with seniors.
- Plan new activities/programs to add to the daily schedule.

### Detroit Behavioral Institute, Detroit – *Youth Specialist*

February 2017 – January 2018

- Directly observe patients throughout the day.
- Facilitate daily social groups for patients.
